It Takes A Village

Sometimes, the most valuable gift you can give is time. Become a Board / Committee Member or be a volunteer and help build a bridge between your neighbors and treatment for breast cancer. We need volunteers to assist with mailings, client follow-up after surgery, delivering surgery day snack bags, and special events such as the annual gala. Talents such as photography, graphic design, marketing, or computer skills can also be put to good use. Please contact the Executive Director to learn more:
