The Bridge Breast Network. Our Tax ID# is 75-2436606.

The Bridge Breast Network (BBN) has provided breast health services to over 150,000 low income North Texans who are without insurance or under-insured. Utilizing a network of over 300 breast cancer physicians and medical facilities that either volunteer their services or drastically reduce their fees, The BBN is able to provide the \$200,000 average cost of treatment for under \$20,000. In order to provide the much needed services to an increasing number of clients, The BBN holds multiple fundraisers. Our 2016 Annual Gala will celebrate the over 150,000 lives already touched by the program and raise funds to continue our good work in the community.
