

THE BRIDGE BREAST NETWORK

August 2017 Newsletter

Program Highlights

The Bridge Breast Network has worked collaboratively with our community and medical partners to ensure North Texas individuals have access to breast health education, prevention and treatment services. During the month of July the Bridge Breast Network provided the following services:

Clients Served:

- Screening Services: 123
- Diagnostic Services: 63
- Treatment Services: 30
- Survivorship Services: 0
- Education and Awareness: 110

Bosom Buddy Campaign

Be a Bosom Buddy and give the gift of life.

Give the gift of a mammogram, surgery, chemotherapy, and radiation treatment to women in our community with breast cancer who will not survive without our help. The Bridge Breast Network is able to convert every \$1 donated into \$10 worth of medical care by partnering with providers like your doctor and imaging center. Breast cancer is deadly and without treatment low income and uninsured women will die from this disease. Your donation may save a life.
