### Bridge Breast Network Recap 2016 Bridge Builders Society Breakfast

We hosted our Annual Bridge Builder's Breakfast on January 26th at the Park City Club. The breakfast recognizes providers and donors who give \$1,000 or more to The Bridge Breast Network. This year we were able to raise a total of **\$13,750** at the event. Contributions such as these makes it possible for us to provide access to diagnostic and treatment services for breast cancer to low income, uninsured and underinsured individuals living in the North Texas area.

## Survivorship Services

Surviving breast cancer is about more than completing your treatment. It's about quality of life after receiving a diagnosis. One's emotional state can impact treatment outcomes.
