

THE BRIDGE BREAST NETWORK

News From The Bridge November/December 2018

Season of Gratitude

On behalf of all of us at the Bridge Breast Network, please accept our sincere gratitude for your generosity and continued support of our program. Thanks to everyone, more than 1,100 North Texas women received life-saving breast cancer detection and treatment services this year. Your generosity provided hope for mothers, daughters, children and families as they struggle with hearing the words, "you have breast cancer."

The Bridge Breast Network strives to continue making an impact on the community and lives of the less fortunate in the year to come. We hope you will join us in this effort and consider making a gift today that could save someone's life.

Wishing you a Happy and Healthy Holiday Season
The Bridge Breast Network Board of Directors, Staff and Clients
