

# BRA ART

BREAST OF THE WEST

*Benefiting The Bridge Breast Network*

**OCTOBER 2025**

Dear Friend,

In 1999, I heard the five words no daughter ever wants to hear from their Mother: "Tracey, I found a lump." My mother had breast cancer. She had no insurance, no income, and no access to care. I was terrified when I looked her in the eye and said, "Don't worry. I've got you.", but I knew we needed help.

That promise to my Mother led me to a lifeline: The Bridge Breast Network. Within five days, they had her diagnosed, in surgery and on the road to recovery. No red tape. No delays. Just compassion in action. They supported her every step of the way, from medical treatment to wigs, prostheses, counseling, and the daunting take of Medicare navigation.

Thanks to The Bridge, incredible Doctors and Nurses, my mom lived five more cancer-free years. In that time, she laughed. She danced. She held her grandchildren. After five years of a full life she faced down her second diagnosis with indescribable courage. She left this world all to early but when she left it was with dignity and grace.

After her passing, I found myself in pieces but that grief was met with support and love through my friends at the Fraternal Order of Eagles #3108. A fraternal organization bound by the belief: "People Helping People." I joined in 2008. In 2015 I began raising money through the event Bra Art, a bold, creative fundraiser where art meets advocacy.

Since then, Bra Art has raised over \$120,000 for The Bridge Breast Network and we've done it with flair, transforming bras into works of art. Bra Art is an event that shifts into an experience. Stirring hearts, creating memories and most importantly, providing assistance within your local community to those that need it most.

Now, here we are in 2025. We ride again, this time with a little Wild West grit and we need you in our posse! Whether you donate, sponsor, create a one-of-a-kind bra for our live auction, or simply spread the word, your support brings someone else a second chance. Every dollar you give becomes \$10 in medical care for those who need it most – from diagnostics to surgery, from mental health to mammograms.

Together, we aren't just raising money – we're raising each other. This isn't just an event. It's a movement stitched by a daughters love and community's purpose. Saddle up and join us to make 2025 our biggest year yet.

With heartfelt gratitude and unwavering hope,

*Tracey Clinton*

We believe generosity comes in all shapes and sizes! As long as it comes from the heart, it's more than enough. Every little bit helps us make Bra Art an event to remember and turns compassion into *real care* for someone facing breast cancer. We'll tip our hats to your generosity with recognition at the event and on our social media. Plus, we'll sing your praises louder than a Sunday choir!
